ORDER NO.

**SUBJECT:**

[DOCKET NO. 2020-5-G](#) - Annual Review of Purchased Gas Adjustment and Gas Purchasing Policies of Dominion Energy South Carolina, Incorporated (f/k/a South Carolina Electric & Gas Company) - Staff Presents for Commission Consideration Dominion Energy South Carolina, Incorporated's Annual Review of Purchased Gas Adjustment and Gas Purchasing Policies.

**COMMISSION ACTION:**

I move that we find that Dominion Energy South Carolina, Incorporated's gas purchasing policies and practices during the review period were reasonable and prudent. The Company properly adhered to the gas cost recovery provisions of its gas tariff and within the guidelines established in prior Commission orders.

DESC also correctly adjusted the gas cost recovery factors for each customer class in accordance with the terms of Order Nos. 2006-679 and 2009-910, which factors are hereby approved.

The demand charges included in the total cost of gas factors should continue to be calculated as set forth in Commission Docket No. 2006-5-G, Order No. 2006-679, by distributing such costs among the rate schedules based upon a 50-50 allocation of peak design day demand and annual forecast sales.

The end-of-period balances for Dominion's Purchase Gas Adjustment account are reflected in the testimony and evidence as presented at the hearing.

The actual balance in the Company's unbilled gas cost adjustment account shall continue to be applied to the PGA (over)/under collection calculation, and the Company shall consider this unbilled gas cost adjustment account in all future PGA calculations. Future monthly adjustments shall continue to be applied to the demand component of the cost of gas factor.

Further, I move that we direct staff to prepare an Order consistent with our motion.
